These Terms and Conditions apply to services arranged by Werner Final Mile ("Werner FM") via third-party motor carrier. IF THERE IS DAMAGE OF ANY KIND, YOU MUST MAKE SURE THE DRIVER NOTES THE DAMAGE (regardless of whether you ACCEPT or REJECT the shipment). You have the option of having the driver note the damage and ACCEPT the piece, or REJECT the damaged item and have the driver note the damage. YOU WILL BE RESPONSIBLE FOR MAKING YOURSELF AVAILABLE FOR TAKING THE DELIVERY AND INSPECTING THE PACKAGE(S) AT THE TIME OF SERVICE. If you authorize the service in your absence or without your inspection, you automatically represent that the product is received in good condition. WernerFM is liable for loss or damage to product to the extent directly and proximately caused by its negligence or intentional misconduct, which liability shall in no event exceed the lesser of the cost to repair or replace the product involved, or \$0.50 per pound. This provision represents the sole liability of WernerFM with respect to loss or damage to the product. If damage has occurred, you agree to refuse ONLY the item that is damaged and make notations on the freight bill. You are also required to submit digital photographs of damaged material that should be clearly visible in the digital photograph to substantiate the claim. In cases where multiple items are part of an order, insurance claims are limited to the value of the damaged item or items after the above mentioned evidence is submitted and approved.

WernerFM does not accept instructions to any other address but the valid address specified at the time of the order. If the address is inaccessible or invalid, the customer agrees to pay the purchase order amount and the additional charges. We also strongly advise against any customer request to pick-up package(s) from the trucker's terminal or any location other than the address. In such a case, WernerFM will not be liable for any damages whatsoever, should any damages be discovered later.

The customer agrees that the name, phone number, email address and other contact information can be given by WernerFM to the trucker or any other shipping agent to coordinate and improve customer satisfaction and efficiency.

In no event will WernerFM or WernerFM suppliers be liable for special, incidental, consequential or exemplary damages arising out of this agreement or out of the use of the site or for services provided by WernerFM including, without limitation, damages or costs relating to the loss of profits, business, goodwill, data, computer programs, loss of information or programs or other data on your information handling system that arise out of or otherwise are related to the use of, or the inability to use, the content or the site or any linked website, the statements of any third party on the site, or unauthorized access to the site, your transmissions, your account or your password, even if WernerFM is advised of the possibility of such damages, or for any similar claim against you by another party. The above exclusion of incidental and consequential damages may not be enforceable under some applicable laws, so such exclusion may not apply to you. **IN NO CASE SHALL ANY LIABILITY OF WERNERFM ARISING FROM OR RELATED TO SERVICES PROVIDED HEREUNDER EXCEED THE AMOUNT PAID TO WERNERFM WITH RESPECT TO THE SERVICES GIVING RISE TO SUCH LIABILITY.**

Force Majeure: WernerFM will not be liable for any failure or delay in performance which might be due, in whole or in part, directly or indirectly, to any contingency, delay, failure, or cause of, any nature beyond its reasonable control. Such causes include, without in any way limiting the generality of the foregoing, fire, explosion, earthquake, storm, flood or other weather, unavailability of necessary utilities or raw materials, strike, lockout, unavailability of components, activities of a combination of workmen or other labor difficulties, war, insurrection, riot, act of God or the public enemy, law, act, order, export control regulation, proclamation, decree, regulation, ordinance, or instructions of any Government or other public authorities, or judgment or decree of a court of competent jurisdiction.

WFM REF # 303250008562

These Terms and Conditions apply to services arranged by Werner Final Mile ("Werner FM") via third-party motor carrier. IF THERE IS DAMAGE OF ANY KIND, YOU MUST MAKE SURE THE DRIVER NOTES THE DAMAGE (regardless of whether you ACCEPT or REJECT the shipment). You have the option of having the driver note the damage and ACCEPT the piece, or REJECT the damaged item and have the driver note the damage. YOU WILL BE RESPONSIBLE FOR MAKING YOURSELF AVAILABLE FOR TAKING THE DELIVERY AND INSPECTING THE PACKAGE(S) AT THE TIME OF SERVICE. If you authorize the service in your absence or without your inspection, you automatically represent that the product is received in good condition. WernerFM is liable for loss or damage to product to the extent directly and proximately caused by its negligence or intentional misconduct, which liability shall in no event exceed the lesser of the cost to repair or replace the product involved, or \$0.50 per pound. This provision represents the sole liability of WernerFM with respect to loss or damage to the product. If damage has occurred, you agree to refuse ONLY the item that is damaged and make notations on the freight bill. You are also required to submit digital photographs of damaged material that should be clearly visible in the digital photograph to substantiate the claim. In cases where multiple items are part of an order, insurance claims are limited to the value of the damaged item or items after the above mentioned evidence is submitted and approved.

WernerFM does not accept instructions to any other address but the valid address specified at the time of the order. If the address is inaccessible or invalid, the customer agrees to pay the purchase order amount and the additional charges. We also strongly advise against any customer request to pick-up package(s) from the trucker's terminal or any location other than the address. In such a case, WernerFM will not be liable for any damages whatsoever, should any damages be discovered later.

The customer agrees that the name, phone number, email address and other contact information can be given by WernerFM to the trucker or any other shipping agent to coordinate and improve customer satisfaction and efficiency.

In no event will WernerFM or WernerFM suppliers be liable for special, incidental, consequential or exemplary damages arising out of this agreement or out of the use of the site or for services provided by WernerFM including, without limitation, damages or costs relating to the loss of profits, business, goodwill, data, computer programs, loss of information or programs or other data on your information handling system that arise out of or otherwise are related to the use of, or the inability to use, the content or the site or any linked website, the statements of any third party on the site, or unauthorized access to the site, your transmissions, your account or your password, even if WernerFM is advised of the possibility of such damages, or for any similar claim against you by another party. The above exclusion of incidental and consequential damages may not be enforceable under some applicable laws, so such exclusion may not apply to you. **IN NO CASE SHALL ANY LIABILITY OF WERNERFM ARISING FROM OR RELATED TO SERVICES PROVIDED HEREUNDER EXCEED THE AMOUNT PAID TO WERNERFM WITH RESPECT TO THE SERVICES GIVING RISE TO SUCH LIABILITY.**

Force Majeure: WernerFM will not be liable for any failure or delay in performance which might be due, in whole or in part, directly or indirectly, to any contingency, delay, failure, or cause of, any nature beyond its reasonable control. Such causes include, without in any way limiting the generality of the foregoing, fire, explosion, earthquake, storm, flood or other weather, unavailability of necessary utilities or raw materials, strike, lockout, unavailability of components, activities of a combination of workmen or other labor difficulties, war, insurrection, riot, act of God or the public enemy, law, act, order, export control regulation, proclamation, decree, regulation, ordinance, or instructions of any Government or other public authorities, or judgment or decree of a court of competent jurisdiction.
